Good afternoon Ms. Judy,

Attached is a letter received by our office regarding the appointment of Charles Jones as the non-public member of the Three Rivers Regional Commission Board of Directors. According to our records the City of Griffin makes the appointment in Odd years; therefore, it would be the City of Griffin's turn to make the appointment.

Also, please let your replacement know to copy me on the appointments after they are made so that I can keep my records up to date and I will also copy her on my updated list.

Best regards,

Kathy Gibson
