September 3, 2014

TENNIS COURT CONSTRUCTION (CHANGE ORDER #1)

City of Griffin

100 South Hill St.

Griffin, GA 30223

Attention: Chris Walker

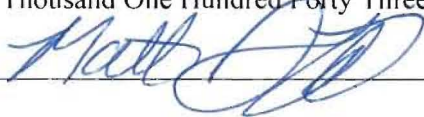

TENNIS COURT PAVING

Test roll and install GAB to increase the grade of the tennis courts on the bleacher side by +/- 12 inches compacted crushed stone base using laser guided equipment. This will ensure the tennis courts are falling within USTA specifications (between .83% and 1% in a single direction). Test roll and install asphalt (9.5mm "H" asphalt topping) to match the existing half of the tennis courts. Install the Riteway Crack Repair system over the cold joint to prevent cracking.

(Saw cut in a straight line at the 60' mark from side to side and remove existing asphalt to be done by the City of Griffin).

COST: \$36,143 Thirty Six Thousand One Hundred Forty Three Dollars

Authorized Signature: _____
