Date Submitted_____11/7/2014_____

Is this monthly nomination? Yes No If yes, which month _____

Is this an annual nomination? Yes No If yes, which year_____2014_____

Department Director Signature_____

Reason for the Nomination

Using the program criteria, explain in detail why the employee deserves to be recognized as the *Strongest Link in the Chain*. Use a separate sheet if necessary.

On October 20th, 2014 Butch (Eugene) was working at Simmons WTP by himself, while Richard and I were at the River Station with Distribution Crew. A chlorine delivery was being made. The Delivery drive started to unload the ton cylinder of chlorine, when the STOP device placed on the tailgate of the truck failed. The cylinder and the delivery guy both came off the back of the trailer. Butch tried to catch the man and managed to cushion the man's fall and prevent him from hitting the nearby brick wall. The ton cylinder of chlorine ended up landing on the man's legs pinning him to the ground. Butch had to move the truck in order to get the cylinder off the man's legs. He then quickly called 911 to get medical assistance for him. The EMTs responded quickly and the man was Life-flighted to Atlanta. They say that he will keep his legs due to Butch's quick thinking and reaction to the situation.

All of my workers have their finer qualities; however I believe that Butch is the Strongest Link in this Chain.

Human Resources Use Only:

Previous discipline in last 12 months_____

Final Rank_____ HR Signature_____
