Contract: Pool backwash controller and filter laterals/media replacement,
including new filter manway

City of Griffin GA

100 South Hill St

Griffin GA 3022

Attention: Mr. Chris Walker

Pool Backwash System Replacement

Remove and discard existing inoperable manual multiport backwash system including gauge panel and pressure gauges. Replacement will be a BECSys BackWash controller with BECSys Filter Interface Panel. The system can be set up for either manual, semi-automatic or fully automatic backwash operations. Also replaced will be pressure gauges and all ½" tubing associated with the backwash system. Backwash controller and Filter Interface Panel will be mounted inside the building to protect from the elements. Power requirements will be a simple 120VAC outlet.
