Re: Request for De-annexation

Dear Mayor McLemore:

I respectfully request the "de-annexation" of my property located on Williamson Rd. from the City of Griffin to Spalding County. I seek this in support of a Veterans Women Facility known as "Healing Bridge" which will provide residential care and support for female veterans who are experiencing multiple service related issues.

Furthermore, the property legally known as;

All that tract or parcel of land lying and being in Land Lots 76 and 77 of the 2nd Land District of Spalding County Georgia, being Tract 2 containing 30.3666 acres as shown on plat of survey for Premiere Wireless Williamson Road recorded in Deed Book 2710, Page 70 of the Spalding Superior Court Records.

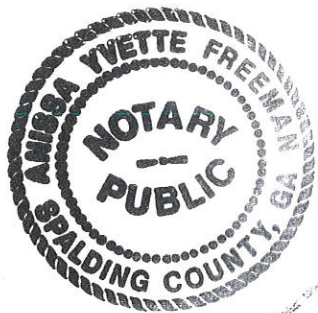

TOGETHER WITH a perpetual easement being 25 feet in width as shown on the hereinabove referenced plat of survey and extending to the boundary line of said Tract 2 and as conveyed in and by that certain Warranty Deed from David N. Brown, et al., to William V. Speice and Gary W. Gardner, dated June 7, 2005, and recorded in Deed Book 2710 Page 68, aforesaid records.

Directly borders the Spalding County/City of Griffin boundaries and would not result in any county separation or "county island" within city limits.

Sincerely,

Chuck Bankston
