

EXCESS POWER POOL NOMINATION FORM

(Participant)

In accordance with the MEAG Power Excess Power Pool rules and guidelines, the undersigned Participant hereby elects to nominate its Project 1 resources to be directed to the Excess Power Pool for use by any MEAG Participant(s) for a period of up to 5 years with the following allocation:

_____ MW at B1 at the Day-Ahead Incremental Price

_____ MW at B1 at the Annual Fixed Price

or

_____ MW at B1 into either price product

This nomination provides for this power to be offered in accordance with the Excess Power Pool rules and guidelines. If resources are allocated to both products, the seller will be allowed to change the nomination at the time any IPTs are completed.

This nominated amount may be revised at any time through submission of a revised Excess Power Pool Nomination Form, except for any amounts that might be already reserved and subject to an Inter-Participant Transfer agreement.

For each reservation made by a Purchasing Participant, the undersigned Participant will provide the pro rata share of its nominated megawatts as compared to the total megawatts existing in the Excess Power Pool at the time of MEAG receiving the Purchasing Participant's Nomination Form.

The Purchasing Participant, at its option, will designate a fixed energy product or a load following product from the Excess Power Pool. To finalize the transaction, each Participant in the Excess Power Pool will be required to execute an Inter-Participant Transfer reflecting their pro-rated transfer amount of power.

Participant agrees to and accepts the above nomination, this _____ day of _____, 20____.
