Attn: Chief Steve Heaton

Re: City of Griffin Speed Zones Ordinance Updates

Dear Chief Heaton:

As part of the Georgia Department of Transportation's ongoing process of updating speed zone ordinances we are providing the City of Griffin with the most current updated List of Roadways for your radar permit. There have been changes to some of the State Routes that will make your present list obsolete. If you wish to continue running radar please have the appropriate persons sign and return this original list to me.

Your response should be sent to our office at 115 Transportation Blvd., Thomaston, GA, 30286, ATTN: Max Dromgoole. Please feel free to contact me with any questions you may have at [wdromgoole@dot.ga.gov](mailto:wdromgoole@dot.ga.gov).

Sincerely,

A handwritten signature in dark ink, appearing to read "Max D", followed by a long horizontal flourish.

Max Dromgoole  
Traffic Operations Engineer 3
