Reason for the Nomination

Using the program criteria, explain in detail why the employee deserves to be recognized as the *Strongest Link in the Chain*. Use a separate sheet if necessary.

There are so many reasons to make this nomination, Angela is a kind and great person. On a professional level and the dealings that all directors especially myself have with her are usually detailed discussions on budget items. Her knowledge of financial rules and regulations are fantastic and always helps us find solutions to budget issues, budget questions or general finance questions. When I have questions or don't understand something, she is very quick to get me the answer and patient with regard to explaining why things are the way they are. This is key to running our organizations and I for one want to support her efforts by nominating her for the strongest link. Not many times you find an employee so versed and educated along with being able to communicate in a very informative and calm demeanor. GREAT JOB.
