Dear Brant:

Paragon Consulting Group (PCG) has reviewed the bids submitted for the above project on August 18, 2015. The low bid was submitted by Nixon Power Services Company for a Kohler 1600REOZMD generator. In addition, the electrical engineering firm of Womack & Associates has reviewed the specifications of the Kohler generator submitted and confirmed it meets the technical requirements outlined in the bid. Based on the bid results and verification of the bid package and specifications, PCG recommends the City of Griffin award the contract to supply the generator to Nixon Power Services Company in the bid amount of \$312,800.00.

A summary of the bids received is detailed below:
