GHA Core Values

GHA shall endeavor to provide affordable, safe and well maintained housing to low income "working" and "in need" families, as well as the elderly and disabled within the City of Griffin and surrounding Spalding County.

GHA recognizes the challenges its residents face when attempting to break the cycle of poverty, bondage of governmental assistance and burden of low self esteem.

GHA is committed to assisting those residents who are ready, willing and able to achieve economic, behavioral and physical self-reliance.

GHA shall support and assist its resident's in accessing personal development programs provided through its local service partners, governmental service agencies, universities and trade schools.

GHA's success shall be measured by both the quality of the housing it provides, and its encouragement and support of its residents who are progressing towards and ultimately achieving self reliance and a "higher quality of life"
