(FOR SRF Applicants Only) Has the applicant initiated or completed the State Environmental Review Process with Georgia EPD for this project?

YES NO N/A

Metro North Georgia Water Planning District Is your community in the MNGWPD?

YES NO

If **yes**, are you in compliance with district plan requirements?

YES NO N/A

Consent Order Will this project eliminate a Notice of Violation (NOV), Administrative Order, Consent Order, Court Order, etc.? If **yes**, provide a copy of the violation.

YES NO

WaterFirst or Community of Opportunity Designation If your community has been designated a WaterFirst Community or Community of Opportunity by the Georgia Department of Community Affairs (DCA). If **yes**, provide documentation of the award(s).

YES NO

Service Delivery Strategy (SDS) Is the proposed project consistent with or at least not inconsistent with your HB489 Service Delivery Strategy?

YES NO

(Please attach a copy of the one or two pages from your SDS that document this).

NOTE: if you checked yes, you are certifying that the proposed project is consistent with your HB 489 SDS.

Updated Building Codes Has your community adopted and does your community enforce the provisions of O.C.G.A. § 8-2-3 relating to installation of high-efficiency plumbing fixtures? If **yes**, please provide copy of or internal link to the relevant section of the local code requirement.

YES NO

Link: www.cityofgriffin.com

Please provide the basic information for each of the following questions:

- 1) **Project Name and Project Description** You must provide a **short description** of the proposed project in the **“box below.”** Attach a separate sheet if necessary along with a copy of the preliminary engineering report.

Project Name: Flint River Pump Station Replacement

Description: Existing pump station was constructed in 1929 has out lived the useful life and needs replacement. The new pump station will be more energy efficient and operated by SCADA thus replacing the need for staff to operate the existing pump station facility.

- 2) **Project Cost** Give an estimated cost outline for the entire project by line item.

Construction Cost:	\$ 4,171,143.00
Engineering Cost:	\$ 471,500.00
Contingency Cost:	\$312,800.00
	\$
	\$
Total:	\$4,955,443.00

- 3) **Early Project Costs** Engineering and design costs incurred prior to the execution of a loan agreement are eligible for reimbursement with a GEFA loan as long as these costs are necessary for the completion of the project and consistent with the final budget. Does your community anticipate seeking reimbursement of engineering or design costs incurred prior to the execution of the loan agreement?

YES NO

If **yes**, approximately how much in early costs does your community anticipate submitting for reimbursement under the proposed loan?

\$289,830.00

- 4) **Funding sources** Please list all funding sources which are proposed to be utilized to complete this project. List each source and funding amount. (If a commitment has been secured from any of these funding sources, list the commitment date and attach a copy of the commitment letter.)

Amount being requested from the Georgia Environmental Finance Authority:			\$ 3,100,000.00
Other funding source(s):	Date available:	Amount:	
FRPS Cash	12/31/13	\$ 2,00,000.00	
		\$	
		\$	
			Total Project Funding: \$ 5,100,000.00

- 5) **Schedule** What is the proposed project schedule? If actual dates are available, please include them in the appropriate column.

ACTION	ACTUAL DATE(S)	PROPOSED DATE(S)
Complete project planning	10/1/2012	Click here to enter a date.
Initiated design	1/30/2013	Click here to enter a date.
Plans & specs submitted to EPD	5/9/2014	Click here to enter a date.
Bid opening	10/7/2014	Click here to enter a date.
Notice of award	11/11/2014	Click here to enter a date.
Notice to proceed with construction	11/12/2014	Click here to enter a date.
Initiation of construction	11/17/2014	Click here to enter a date.
Completion of construction	6/30/2015	Click here to enter a date.

- 6) **Emergency Loan** Will this project assist the community in meeting an emergency public health or safety need? If yes, please explain the nature of the emergency and facilities that have failed and what repairs or additions are needed to protect the local health or environment.

No

7) **Project Engineer** Provide the following information:

Firm Name	Paragon Consulting Group		
Address	118 North Expressway		
City, State & Zip	City: Griffin	State: GA	Zip Code+4 30223
Engineer Name	Jolene Northrop		
Telephone Number	(770) 412-7700	Fax Number	()
Primary E-Mail Address	JNorthrop@pcgeng.com	Secondary E-Mail
