NATHAN DEAL  
GOVERNOR

HOMER BRYSON  
DIRECTOR

December 6, 2016

Honorable Rita Johnson  
Chairman  
Spalding County Board of Commissioners  
P.O. Box 1087  
Griffin, Georgia 30224

Dear Commissioner Johnson:

The Federal Emergency Management Agency (FEMA) has completed its review of the Spalding County Multi-Jurisdictional Hazard Mitigation Plan for compliance with the programmatic requirements of the Federal Hazard Mitigation Planning Standards contained in 44 CFR Section 201.6(b)-(d). FEMA has determined that the Spalding County Hazard Mitigation Plan Update is compliant with Federal standards, subject to formal community adoption.

The county and each municipality must pass individual resolutions adopting the Plan. Please forward the adopted and signed resolutions to Shelby Meyers, Hazard Mitigation Planner, so that we may submit them to FEMA for inclusion in your plan for formal federal review and approval. Upon submittal of a copy of the participating jurisdictions' adoption documentation as well as documentation of the final public meeting, FEMA will issue formal approval of the Spalding County Multi-jurisdictional Mitigation Plan. Should you have any questions or need additional information, please contact Shelby Meyers, Hazard Mitigation Planner, at (404) 635-7245.

Sincerely,

Terry K. Lunn  
Hazard Mitigation Division Director
