RE: Griffin-Spalding Airport Auth.

Dear Commissioners:

I would be honored to receive an appointment to the Griffin-Spalding Airport Auth. I am a resident of the city of Griffin, and am excited about the opportunity to serve my city and my county.

Although I am excited about this opportunity, I know there is much sadness in filling this position. I did not have the pleasure of knowing Ron Alexander. I did have the pleasure of meeting him, and experiencing his love for aviation through the Vintage Days Festival he hosted each year. I do not expect that I can fill his shoes. Ron was one of a kind.

I have no aviation experience, except for the occasional review of airplane loans. I do have experience as pro-bono legal counsel for an authority. I served as pro-bono counsel for the Pike County Parks and Recreation Authority.

I am an attorney, and a woman. That means I think differently, and often. I believe my education, experience, attitude and leadership skills make me a candidate for appointment to the Authority. Thank you for your consideration.

Sincerely,

Rebekah Betsill
